Special instructions / Notes, etc

Baby Foot is an innovative foot care product that will make your feet as smooth and soft as a baby's foot. The unique formula of 17 types of natural extracts allow your feet to exfoliate naturally leaving them highly moisturized.

This effective and gentle process removes the unwanted dead skin cells that have built up layer after layer. In addition, Baby Foot can improve other foot issues like: Foot Odor, Athletes Foot and Blood Circulation. So say goodbye to rough, dry, cracked soles, by using a product that really works!
